SIVAN PISHRO ASANBAR

LEADER IN PROVIDING
AND

INNOVATIVE ELEVATOR
ESCALATOR SOLUTIONS

13

Sivan Pishro Asanbar Company, with the brand name SP+, is one of the leading companies in this industry in Iran and the region, benefiting from the many years of experience of its managers in the business, sales, installation and commissioning of elevators and escalators. Our goal is to provide world-class products, professional services and reliable support for construction, commercial and industrial projects.

14

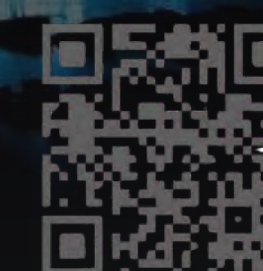

SPECIAL BENEFITS AND PRIVILEGES

16

SP+ Smart Package elevators and escalators, using the highest quality imported parts, are considered one of the top choices in the market and have a competitive price as the first smart, safe and integrated elevator and escalator in Iran.

15

The biggest advantage of this company over its competitors is the use of the top brands in the market for elevator parts, all of which are currently available in the warehouse of this complex. SP+ elevator motors are offered in two classes, Asian and European, on which the SP+ brand is engraved.

WHY SP+ ?

S P +

C A P A B I L I T I E S

17
